

AUTOMOTIVE CAMPERS

**ALL ALUMINUM
CONSTRUCTION**

**Take Your Family
Camping with Your
Car or Minivan!**

CAMPLITE is truly the NEXT GENERATION of Light Weight Campers! Built of ALL Aluminum and Composites, these campers are 98% Recyclable! Unlike traditional RVs that are constructed of primarily wood and steel which will rot and rust, the CAMPLITE is built to stand the test of time! CAMPLITE is still priced very competitively, making it the best value on the road for young families wanting to utilize their smaller, more fuel-efficient vehicles.

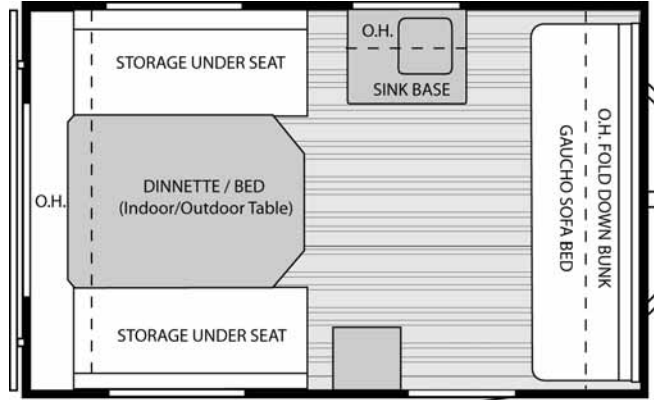

**Available in
Exciting Metallic
Exterior Colors!**

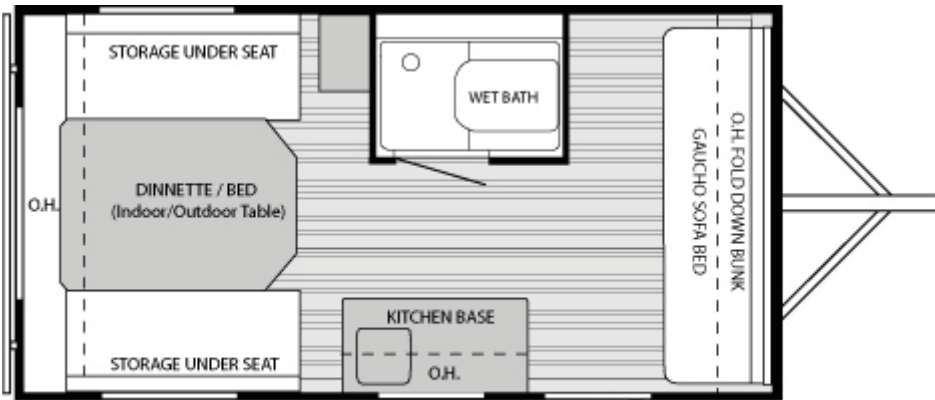

**Interiors Feature
All Aluminum
Cabinetry, Ceiling,
Walls and Floor!**

Weights based on standard equipment. Options will add weight. Some weights estimated and based on similar models. Specifications subject to change without notice or obligation to LIVIN LITE RV.

STANDARD FEATURES

- 1. Tubular Aluminum Frame**
Lightweight; Durable; will not rust away like typical steel frames.
- 2. Dexter™ Independent Torsion Suspension**
Provides the smoothest ride, best tracking and less rebound in all terrains - compared to outdated spring leaf suspensions.
- 3. Inter-Locking Alumina-Plank® Floor Deck**
Lightweight; Durable; will not rot away, sag or have soft spots like typical plywood floor decking. Frankly, there's just no comparison to conventional trailers here.
- 4. Tubular Aluminum Sidewall Framing**
Lightweight; Durable; will not rot away like wood.
- 5. Aluminum Sidewall Skin Inside & Out**
Lightweight; Strong; Durable; offers the option of colors vs. competition's white.
- 6. Diamond Plate Aluminum Rockguard and Trim Package (automotive styling)**
Protective; Durable and Adds a Great Look to the Exterior of the Camper.
- 7. Fully Insulated Sidewalls and Roof**
Lightweight, Block Foam Insulation, laminated for maximum strength.
- 8. Tubular Aluminum Bunk Bed Framing**
Lightweight; Durable; will not rot away, vs. wood bases.
- 9. Tubular Aluminum Cabinet Framing**
Lightweight; Durable; water resistant; will not rot away like typical wood studs.
- 10. Aluminum Skinned Cabinetry**
Lightweight; Durable; Clean Look; Designed to stand the test of time - compared with the typical wood paneling.
- 11. Finished Aluminum Cabinet Doors**
Lightweight; Durable; Clean Look; Designed to stand the test of time - compared to typical "presswood" doors.
- 12. Lightweight European Composite Windows - Featuring Built-In Day/Night Shades and the Ability to be Propped Open.**

- 13. Lightweight Custom Crafted Countertops**
Lightweight; Durable; Water Resistant; Designed to stand the test of time - compared with the "presswood" tops.
- 14. 76" Interior Headroom**
No more bending over in your automotive camper! Enjoy the ability to walk around with plenty of head room - afforded by CAMPLITE'S increased interior spaciousness!
- 15. Automotive Exterior Colors**
Choose from a Variety of Metallic Exterior Metal Colors to Match Your Tow Vehicle!

OTHER GREAT FEATURES:
