

ALL ALUMINUM TRUCK CAMPERS

Never before has there been a truck camper designed and built like the unique, ultra-lightweight CAMPLITE by LIVIN LITE Recreational Vehicles!

There is not a sliver of wood in this camper. From the sidewall and roof framing to the flooring to the interior cabinetry, the dynamic CAMPLITE truck camper is built to stand the test of time, while not stressing your truck's payload capacity.

Instead of plain white - choose from an array of exciting automotive exterior color choices, allowing your CAMPLITE model to more closely match your truck and your personality.

The affordable CAMPLITE truck camper was designed to allow families to hit the road and enjoy life in the great outdoors without stressing their budget.
