

Livin' Lite to Add CR 6 Display for Open House

August 16, 2011 by [RV Business](#) [Leave a Comment](#)

Livin' Lite Recreational Vehicles LLC will set up product next to the Forest River Inc. display at the Dynamax Corp. facilities on C.R. 6 as part of Elkhart County's 4th Annual RV Open House Week, set to take place Sept. 19-23.

The company previously announced that it will also be hosting a Dealer Open House at its headquarters in Wakarusa, Ind., during the same time period, scheduled to run from 8 a.m. to 6 p.m. each day of the event.

According to a press release, Livin' Lite will be showing updated models of its all-aluminum and composite RVs, including the Quicksilver automotive tent campers, Camplite ultra-light travel trailers and truck campers, and VRV toy haulers.

"We will be debuting new models, including a new all-aluminum tent camper with full LP systems, the Quicksilver XLP, as well as two new Camplite travel trailer floorplans," said Scott Tuttle, president. "We will also introduce two new truck camper models, including what is sure to be the lightest, fully self-contained model ever built for a short-bed, light-duty pickup truck."

For more information, call Tuttle at 574.862.2228 or visit www.livinlite.com.
